

R SULLIVAN VENTURES

Capabilities Statement

R Sullivan Ventures rents and services Portable Latrines and Hand Washing Stations nationwide. We have provided these services for federal agencies, residential, commercial, oilfield and special event clients. We have standard-sized Portable Latrines, Handicapped portable Latrines, and Hand Washing Stations on hand at our locations nationwide through our broker network. We also have custom-fabricated, air-conditioned comfort station trailers that provide hand washing stations and act as emergency showers.
